PURE & PRISTINE

“Pure & Pristine” embodies absolute clarity and unmatched purity.

It signifies unblemished authenticity and untouched elegance.

This concept encapsulates a state of flawlessness, unsullied by any impurities or alterations.

It represents the essence of untouched purity in its most prestigious form.

Pure Almond Oil

Raughan-e Badam Shireen

Skin Nourishment:

Vitamin E present in Hamdard's 100% Pure Almond Oil helps to nourish the skin and fade away blemishes and dark spots.

Hamdard's 100% Pure Almond Oil is rich in Omega Fatty Acids, particularly oleic acid and linoleic acid, which help to lock in moisture and maintain skin's natural barrier which makes it an effective natural moisturizer for all skin types.

HAIR & SCALP CARE

Trusted Name | Trusted Quality®

Onion Oil

100% Pure Onion Seed Oil

Hair Fall Prevention & Regrowth:

Pure Onion Seed Oil promotes hair growth due to Sulphur content which is essential for the production of collagen, important for hair growth.

Flavonoids with antioxidant properties found in Pure Onion Seed Oil helps to protect hair follicles from hair breakage and thinning caused by oxidative stress.

Massaging Pure Onion Seed Oil onto the scalp leads to reduction in hair loss due to inhibition of the production of dihydrotestosterone (DHT), a hormone linked to hair loss.

Trusted Name | Trusted Quality®

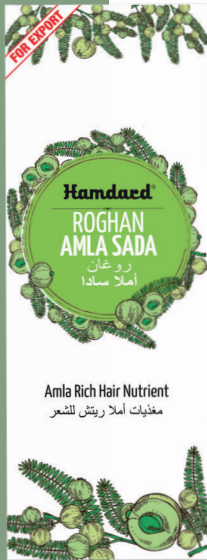

Roghan Amla Sada

Pure Herbs Hair Oil

For Black & Long Hair:

Pure Herbs Amla Sada Hair Oil helps in preventing premature greying of hair by promoting melanin production and protecting hair follicles.

This Pure Herbs Amla Sada Hair Oil that contains Indian Gooseberry, False Daisy, Spikenard acts as a natural conditioner, making hair softer, smoother, and more manageable maintaining the natural shine of hair.

Trusted Name | Trusted Quality®

Kalonji Oil

100% Pure Black Seed Oil

Anti-Dandruff & Root
Strengthening:

Nigellone is a compound present in Hamdard Kalonji Oil (Pure Black Seed Oil) with anti-inflammatory properties that can help soothe an irritated scalp and reduce conditions like dandruff and itching.

The vitamins, minerals, and some compounds in Pure Black Seed Oil (Kalonji Oil), like Thymoquinone, have been linked to improved blood flow and nourishing the hair follicles which strengthens the roots and encourages healthy hair growth.

Trusted Name | Trusted Quality®

Pure Almond Oil

Raughan-e-Badam Shireen

Scalp Nourishment:

Hamdard Pure Almond Oil's rich content of nutrients, including Vitamin E, Magnesium, and Omega-3 Fatty Acids support hair growth by nourishing hair follicles and improving hair health from the root.

Pure Almond Oil also contains various phytoconstituents such as Biotin, Zinc, Squalene, Triterpenoids that help to moisturize and nourish the scalp and hair which contributes to overall hair softness and shine.

Pure Almond Oil also contains Proteins that are beneficial for strengthening hair strands and preventing breakage.

Trusted Name | Trusted Quality®

Zulamla

Herbal Hair Pack

Hair & Root Nourishment:

Hamdard Zulamla is a 100% Pure Herbal Hair Pack which is enriched with the benefits of pure Amla, Mustard & Shikakai.

Amla is exceptionally rich in Vitamin C, protects hair follicles from oxidative stress, a process linked to premature aging and greying of hair.

Mustard is essential for maintaining the health of the scalp and promoting the production of natural oils (sebum) that condition the hair and scalp.

Shikakai is a natural cleanser that helps remove dirt from the hair roots & scalp without stripping off natural oils which promote a healthier scalp environment.
